WHAT'S NEW

Hare Krishna 🙏

Our respectful greetings to all the well-wishers and devotees associated with Bhaktivedanta Vidyabhavan Gurukul 🙏

Last year we had 15 admissions, this Gurukul has been successful in making good arrangements for those children in every way.

This year we had successfully admitted 8 new admission making a total count of 23 students. The total Target for new admission for this academic year is 10.

PROBATION PERIOD..MASTI TIME

students acclimatize to the new environment with a period of 15 days.. During this time they understood the rules to be followed dos and don'ts during their stay on Gurukul and had a lot of fun activities...

- Drawing competition
- Birthday celebration
- Enjoying in river
- fun activities
- sports
- Etc.....

GURUKUL NEWSLETTER

Month of June

WORLD ENVIRONMENT DAY

Students of Bhaktivedanta Vidyabhavan Gurukul understand the importance of environment. So on 5th June 2025 they celebrated world Environment Day by participating into a inhouse debate competition. Kids discussed various accpects of environment and how it is impacted by Science.

INTERNATIONAL YOGA DAY

Gurukulis celebrated International yoga day on 21st June remarking the power of unity and the importance of harmony between the mind, body, and spirit. Mast Kisan Yadav was instructor of the day, under his guidance students enjoyed yogasan.

GURUKUL NEWSLETTER Month of June

SARPMITRA

Having compassion for every jiva is the basis of Vedic ideology and vaisnavism, so to understand about snake and their species is important. Bhaktivedanta Vidyabhavan Gurukul organised a presentation along with Sarpmitra team, to understand the myths about non poisonous snake and how to protect ourselves with poisonous snake with some caution. Mr Praveen explained some measure for snake biting.

FARMING

With the arrival of rain it not only made the Gurukul as heaven but gave students a great opportunity to learn about farming. Gurukulis plough the field and sowed the seeds of some vegetable and grains
